THANK YOU:

- To Pat DesJardin and Jim Brossia for painting our kitchen and making it fresh and lovely!
- To Mona Whitney and her helper husband Don for making our photo board interesting and fun to see! (Check it out in the hallway as you go for coffee!)

- To all the snow shovelers who often get here before staff even sees who they are....(we suspect Pat, Jim and Darwyn are the team leaders!)
- To Claire Grinager and Jan and Hank Whittet for their work on promoting heart health last week. They are knowledgeable resources if you have any questions regarding this topic.
- To Pam and Natalie Simpson for helping to decorate the Fellowship Room for the brunch last week.
- To Kathy Cisar for her dedication to a clean kitchen and serving folks at last weeks' brunch.
- To Steve Vandewinkel and Joe Osebold for fixing the garbage disposal! What troopers!
